

## Version Change Details for version 2.6 of the NSHP CECPV Calculator

NSHP applications must use a version of the NSHP CECPV Calculator that is listed as “certified” on the date the NSHP application is postmarked (or date of submission for electronic NSHP applications). A list of certified versions of the CECPV calculator is maintained on the Energy Commission’s website. ~~With each new release of the CECPV calculator, the previously certified version or versions will be “decertified” no less than 30 days after the new CECPV calculator is released.~~

Version 2.6                      Released August 12, 2011
